

# XILO ALISEO

*Electric*

Electric radiator painted in Standard White (cod. 01).

## Bathroom radiator **XILO ALISEO**

*Electric*

The **Xilo Aliseo** electric towel warmer is made of horizontal steel slats and features an in-built auxiliary electrical power system to rapidly diffuse heat into the environment.

Thanks to the infrared remote control (supplied as standard), it is possible to remotely adjust the desired temperature and the hot air diffuser.

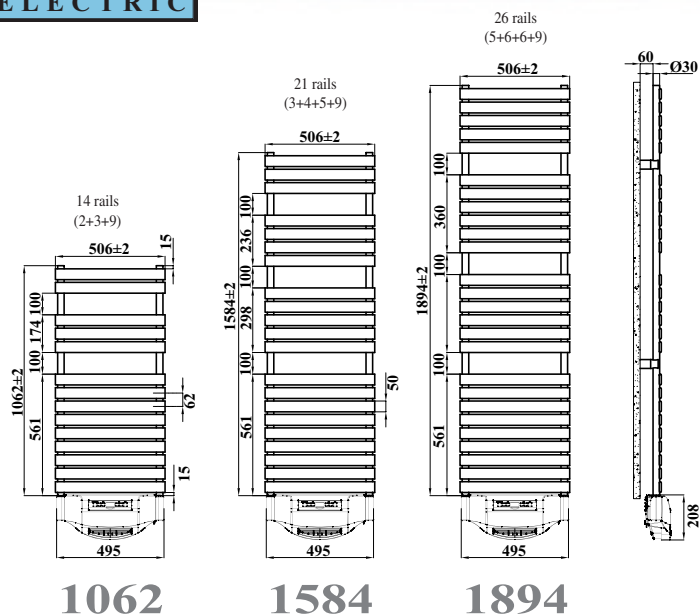

Photo: detail of the air diffuser and remote controls, Standard White colour (code 01). Coloured radiators feature a chromium-plated air diffuser.

# XILO ALISEO

**ELECTRIC**

In photo: Xilo Aliseo electric radiator. Height mm 1584, width mm 506.  
Colour Standard White (cod. 01) - electric heater.

**TECHNICAL SPECIFICATIONS:** electric towel warmer radiator made of steel; horizontal elements with rectangular tubes 50x10 mm manifolds; side manifolds with a 30 mm round section; complete with thermal liquid and an auxiliary electrical power system that reaches 1000 Watt. This auxiliary power system is combined with a fan to ensure the temperature in the environment where it is used is even.
